

Time and Cost Savers at SIAC:
Emergency Arbitration, Expedited Procedure and Early Dismissal

SIAC Academy is SIAC's latest initiative to provide practical, 'hands-on' training for arbitration practitioners and arbitrators. The teaching faculty will be chaired by Mr Gary Born, President of the SIAC Court of Arbitration, and will include SIAC Board and Court members, other leading international arbitration practitioners and arbitrators, as well as the SIAC Secretariat. Over the course of an intensive two-day programme, participants will test and refine their skills on Emergency Arbitration, Expedited Procedure and Early Dismissal.

Due to the interactive nature of the SIAC Academy, spaces will necessarily be limited.

Mr Davinder Singh, SC
Chairman of SIAC

“

SIAC has built up a wealth of knowledge in handling and administering applications for Emergency Interim Relief and Expedited Proceedings, since both these special procedures were introduced in the SIAC Rules in 2010. The innovative Early Dismissal Procedure introduced in the SIAC Rules last year, has also generated a lot of interest amongst users in the international arbitration community. The SIAC Academy will bring together members of the SIAC Court and Board, other eminent international arbitration experts and the SIAC Secretariat, to provide a comprehensive user's guide and insider's perspective on these popular procedures.

”

Mr Gary Born
President, SIAC Court of Arbitration

“

The SIAC Academy is aimed at building on SIAC's reputation as a thought leader in international arbitration. This interactive workshop will be the first of many SIAC-organised opportunities for international arbitration practitioners and arbitrators to explore issues concerning, and deepen their knowledge of, new and cutting edge developments.

”

Mr Toby Landau QC
Member, SIAC Court of Arbitration

“

In recent years, SIAC has introduced special procedures designed to provide parties with the option of quicker and more focused proceedings. The SIAC Academy is a unique opportunity for arbitration practitioners of all vintages to get on their figurative feet and test out these innovative new procedures before some of the leading arbitrators in the world.

”

Dr Michael Hwang, SC
Chartered Arbitrator, Michael Hwang Chambers

“

The introduction of Emergency Arbitrator, Expedited Procedure and Early Dismissal procedures have ensured that SIAC stays at the cutting edge of international arbitration developments. The SIAC Academy promises to provide highly practical and insightful training on the application of these procedures.
