MESEA WEBINAR SERIES 2021

DISPUTES IN FINTECH AND COMPLEX TECHNOLOGY SECTOR IN MESEA

This webinar provides Perspectives from Practitioners and Experts concerning financial, commercial and technology related disputes in the FinTech and the Complex Technology sector. The panelists will endeavour to set forth steps to manage and resolving this sector's decentralised and multi-jurisdictional approach that affects a range of general commercial and corporate disputes including FinTech joint venture disputes, payments, FinTech investment disputes, IT disputes, cryptocurrency disputes, AI-related businesses, and complex technology-related goods and services disputes in ongoing large-scale projects. The discussions will range from Tech industry insights, contemporary legal principles in Fintech disputes, efficient methods of dispute resolution, to regulatory and enforcement challenges faced by Parties in the MESEA region.
