

# OFFICIAL LAUNCH OF THE AIAC ACADEMY

In recognition of the importance of comprehensive, practical and skills-based training in shaping the community's pool of alternative dispute resolution ("ADR") professionals, the AIAC is proud to introduce the AIAC Academy.

Guided by the principles of innovation and excellence, the AIAC Academy is a realisation of the AIAC's vision in ensuring a continuing and sustainable development of the field of ADR, beyond and as an extension of our offering of ADR products and services. Under the umbrella of the AIAC and in line with our capacity building mandate, the AIAC Academy will feature programmes that will cover a wide range of ADR fields, including but not limited to, arbitration, mediation, adjudication, domain name dispute resolution as well as other specialised and emerging ADR practice.

To inaugurate the launch of the AIAC Academy, the AIAC is delighted to host the AIAC Academy Official Launch, where we will unveil, amongst others, the AIAC Academy Faculty Board line-up, the AIAC Academy Tutors Panel as well as the proposed line-up of programmes for the year 2022. Join us as we mark a new milestone in our efforts to enhance the ADR industry in the region and beyond.
