## FUTURE OF ADR IN SARAWAK

- Revealing a side of Asia unlike anywhere else, the AIAC is set to embark on a journey to discover the future of ADR in one of Malaysia's best kept secrets - land of the hornbills - Sarawak.

Following the recent launch of the AIAC Academy and the AIAC Arbitration Rules 2021, the third day of the AIAC's Sarawak roadshow will feature the products and services offered by the AIAC, characteristics that makes the AIAC an attractive arbitral institution, the AIAC's empanelment scheme as well as costs of an arbitration proceedings and arbitrator's costs, and recent knowledge sharing and capacity building initiatives such as the AIAC Academy.

The session will be followed by a panel discussion on the way forward for ADR in Sarawak where you will have the opportunity to interact with and gain insight from our practitioners in Sarawak, before we open to a networking session. This is an opportunity you don't want to miss!

Participants are requested to send their questions in advance to [events@aiac.world](mailto:events@aiac.world) for a fruitful discussion.
