

Insurance Arbitration Workshop Programme 2023

As part of our commitment to promote the use of Arbitration in Malaysia, the AIAC is proud to announce our first ever Insurance Arbitration Workshop to stimulate the discussions of insurance disputes in the arbitration realm and vice versa.

Our workshop will run in three sessions, each discussing topics including the Insurance and Re-Insurance in Arbitration, Insurance Arbitration Clauses as well as the Drafting of Insurance Arbitration Decisions.

The AIAC's 1st Insurance Arbitration Workshop is open to all legally and non-legally trained professionals working in the insurance realm. It will be held physically at Bangunan Sulaiman with a registration fee of RM 80.00 is payable inclusive of all sessions.

Join us in our workshop as we hear from our diverse panel of Speakers (and YOU) sharing about their opinions on the different elements of insurance arbitration and how they may be tweaked to cater to the needs and nature of different industries. We encourage our attendees to participate as much as possible during the Q&A sessions following each session as well as the open forum discussion in Session 3 to get the most out of our workshop!
