

SABAH WE'RE COMING TO YOU!

AIAC ROADSHOW 2022 SABAH

The AIAC, in collaboration with the Sabah Law Society, is proud to conduct its first roadshow for 2022 in beautiful Kota Kinabalu, Sabah.

This roadshow will cover the key features of the AIAC Arbitration Rules 2021 that make it a lucrative choice for the effective conduct of domestic and international arbitrations in the region. The session will also delve into the characteristics of the AIAC that make it an excellent institution to administer arbitral proceedings, including its recent knowledge sharing and capacity building initiatives such as the AIAC Academy and its recent circulars.

An open forum will also be held that will allow the participants to directly interact with the AIAC's Director and Deputy Director to pose any questions or comments regarding the AIAC's suite of products and services and its upcoming initiatives. Participants are requested to send their questions in advance to events@aiac.world to provide for a fruitful discussion.
