# PROGRAMME

2:00 p.m. - 2:30 p.m. Registration

2:30 p.m. - 2:35 p.m. Welcoming Remarks by the AIAC

2:35 p.m. - 2:50 p.m. Introductory Presentation on the AIAC's Products and Services

2:50 p.m. - 3:50 p.m. Session 1 - From Progress Claim to Final Account: Unpacking CIPAA 2012 and the Reform Pathways in Adjudication

The Construction Industry Payment and Adjudication Act (CIPAA) 2012 was enacted primarily to tackle the cash-flow disputes in the construction industry in a speedy, cost-effective and accessible manner. Over the past decade, the Malaysian adjudication landscape has immensely evolved, through both industry practices and case laws.

Featuring AIAC's role as the adjudication authority, this session will explore the scope and applicability of CIPAA 2012, highlighting the benefits, practical challenges and emerging trends within the adjudication regime. The session will also address the potential areas for reform, with the aim of enhancing the efficiency, consistency and accessibility of this mechanism.

3:50 p.m. - 4:15 p.m. Networking Break

4:15 p.m. - 5:15 p.m. Session 2 - Bridging the East Coast Region: Harmonising the ADR Landscape Within Malaysia

As Malaysia continues to solidify its position as a neutral dispute resolution hub, the adoption and usage of ADR mechanisms across different states and regions domestically reveals a dynamic and diverse landscape. This session aims to focus on the receptiveness of the ADR mechanisms in the East Coast region, exploring the unique regional dynamics that influence its growth and practices.

The panellists will also examine how ADR and Shariah-compliant dispute resolution are implemented across different sectors, from construction and energy to finance and government-linked projects. This session will also highlight the Malaysian Judiciary's support towards arbitration and other ADR processes, contributing to the continuous development and refinement of our legal frameworks.

5:15 p.m. - 5:30 p.m. Special Highlights of the Asia ADR Week 2025

5:30 p.m. onwards Networking
