3:20 p.m. - 4:20 p.m. **Session 1 - Bridging Boundaries: Embracing Mediation in the Special Economic Zone**

As Johor continues to position itself as a leading economic gateway and a strategic driver of investment, innovation and industrial growth, the need for efficient, flexible and investor-friendly dispute resolution mechanisms become increasingly critical. It is thus necessary to explore the role of mediation and unleash its potential within the Johor-Singapore Special Economic Zone (JS-SEZ), highlighting how it could serve as an effective, practical, culturally sensitive and business-oriented method for resolving commercial disputes.

PROGRAMME

4:35 p.m. - 5:35 p.m. Session 2 - Getting the Right Start: Dispute Avoidance in Johor's Infrastructure Boom

As Johor accelerates its development through large-scale infrastructure, industrial and property projects, the need for well-drafted, balanced and enforceable construction contracts has never been greater. In this session, panellists will explore how dispute avoidance products such as standard form contracts simplify contract administration and mitigate disputes related to breach of contract, payment delays, variations and time extensions.
